

Welcome to Primary One

Dear Boys and Girls,

Welcome to your new School. We are excited to have you in our class this year. We look forward to meeting you and begin our year of learning and fun! We hope that you and your family enjoy the time they spend with us and that you will have a successful first year in Primary School.

September is an exciting time for you and we as a staff will try and make your first months in school a happy experience. You may be excited and nervous on your first days in school and your mums and dads should have confidence that we will help to settle you in quickly to your new P1 class. Remember everyone is different

- It may take time
- Be positive
- It will happen!

Data Forms

These forms will be sent home shortly. When you receive one please return this to school as soon as possible. It is important we have the correct information on the school system for your child.

School Website

Please visit our school website where we will post more information for our Primary 1 induction.

<https://www.stpatrickspscastlederg.co.uk/>

Further information will follow in due course when more guidelines become available. Due to the current circumstances it is regrettable that we will not be able to have induction meetings for parents and pupils at this time. We will however be keeping you up to date with further information in the coming weeks. We look forward to meeting you all. Have a lovely Summer and we are all excited to welcome you to our school family in September.

Many Thanks
